Subject: Clarification of HANA's Operating Result for Year 2010
To: Chairman of the Board
The Stock Exchange of Thailand

For Year 2010, Hana Microelectronics Public Company Limited "HANA" recorded net earnings of Baht 2,749.421 million compared to Baht 2,042.956 million of last year. The increase of Baht 706.465 million was due to the business recovery from the global recession, resulting in the 26% sales revenue increase (in Thai Baht terms).
